NINETEEN HORSES ARE CARDED TO GO IN CARTER HANDICAP.

Rain Falls Steadily and a Poor Track Is in Prospect-Some Doubts as to Roseben's Starting,

New York, April 13 .- There is no prospect for a good track for the opening of the local racing season at Aqueduct, Monday. It has been raining since four o'clock yesterday afternoon and tonight it is cold and raw with no signs of abatement. Even if the sun shines tomorrow the going will be slow Monday. However, there is great interest in the Carter Handicap and a tremendous crowd will be at the course, barring a continuation of the storm. There is some uncertainty about Roseben's starting. Owner Johnson has, insofar as is known, not succeeded in making arrangements for a rider for the big son of Ben Strome. He had engaged Jack Martin as pilot, but this was nullified when the stewards of the Jockey Club laid Martin's application for a license on the table at their meeting Thursday. De Mund and Heaslip, coupled as the entry of Paul J. Rainey, are the ante-post favorites for the Carter, with Roseben next in choice and the August Belmont entry, Don Diego and Okenite, likewise Juggler have a strong following. Here are the carded horses with their weights, probable jockeys and advance odds:

Ben Beach arrived at Jamaica today from Benning with the Beverwyck Stable horses. In the lot was was bought from Thomas Clyde which Thursday for \$2,500.

Thomas Hitchcock, Jr., has returned from Benning and will now give the greater portion of his time and attention to his steeplechasers at Belmont Park. He says there is no doubt that Good and Plenty will stand training and he will get him ready for the Whitney Memorial.

the program already made up for the spring meeting at Belmont Park an overnight steeplechase for four-year-olds with \$1,200 has been added.

C. E. Rowe, whose application for a trainer' license was laid on the table by the stewards of the Jockey Club last month, has been granted a license, though it is understood that he does not expect to do a great deal of training this year. The applicaof Willie Martin for a trainer's lice been denied. Likewise the application of Joe Mc Bride for a jockey's license.

Whether the track is good or slow Monday afteron, it is apparent that big fields will be the order the day and with such hurses as Keator, Anna May, Ace High; Dulcian, Riggs, Northville; Gold Foil, Marston, Hands Around; De Mund, Don Diego, Roseben; Society Bud, Lord Badge, Killochan Oraculum, Orphan Lad and Alpenmarchen showing conspicuously in the entries, New Yorkers can hardly fail to be well entertained on the opening day of the metropolitan campaign.

BILLIE HIBBS WINS JESSE BROWN CUP.

Rose of Dawn Triumphs in the Second Benning Spring Handicap-The Last Day.

Washington, D. C., April 13.-Rose of Dawn backed from 8 to 1 to 18 to 5, won the Second Benning Spring Handicap today and incidentally one of the biggest coups of the meeting was pulled off. Notter was brought over from New York especially to ride the mare and his services were needed, as it took a strong drive through the stretch for the daughter of Hamburg to catch Lord Boanerges and win by a length.

James W. Colt, who owns Rose of Dawn, tried to execute a double with Commodore Fontaine in the steeplechase, but Dr. Keith was best. Had Commodore Fontaine won, the layers would have been hard hit, as much of the Rose of Dawn profits were bet back on him.

Billy Garth came over from New York to saddle Billie Hibbs for the Jesse Brown Cup. Although Jubilee is generally conceded to be the best youngster developed at the meeting, Billie Hibbs was decided favorite because of the distance, one-half mile, and his great flight of speed. He outbroke the others and simply cantered all the way.

The meeting has been a big success from a financial standpoint in spite of the unfavorable weather

of the last two weeks. Madden today purchased from Jos Yeager, who is at West Baden, Ind., the mare She will be sent to the stud at Hamburg Place. Mr. Madden will remain at Benning until about May 1, when he will ship to Gravesend,

CONDENSED HISTORY OF THE CARTER HANDICAP.

From an humble beginning when it was won in 1895 by Charade the Carter Handicap has progressed In importance by stages until it now ranks as the most important event of the early eastern season. Its first running was at a mile and a quarter, but it was finally made a dash of seven furlongs, a wise move that results annually in a big field of high class sprinters from the best stables, the short distance appealing to trainers at the early season of the year. The story of the race is fully told in the tabulation following and after it is displayed the performances of the good horses that are now named to start

ROSEBEN is America's champion sprinter and b has been more than a "meal ticket" to David Johnson, his present owner. Roseben is six years old. He is by Ben Strome, out of Rose leaf and was bred by Major T. J. Carson a Dixiana Farm near Lexington, Ky. He was sold by auction as a yearling September 9. to John A. Drake for \$2,000. Enoch Wishard took him to Nashville the following winter and trained, or rather tried to train, him. He was a fast-growing colt and little could be done with him in his two-year-old form, Wishard started him once in 1903, at Nashville, April 28, in a race won by William Gerst's Council. He was unplaced. It was decided that he should be altered and put by until his three-year-old year. In 1904 he carried the Drake colors only three times, at Brighton Beach, July 7, unplaced. Gravesend September 21, unplaced, and at Morris Park October 11, when he scored his first victory, running six and a half furlongs over a slow track in 1:23. This race netted Mr. Drake and four days later at a dispersal sale of his stable Roseben was sold to Mr. Johnson for \$4,300, and turned over to Charles Oxx to train. has achieved all his distinction in the ership of Mr. Johnson, but Frank Weir has been his best trainer. Weir got him the latter part of May, 1905, after Oxx had raced him at New Orleans, Hot Springs, Benning and Aqueduct, winning at all these points. Just after Weir took him in hand he won five races in a and wound up the season with a seace of six successes. In addition to several high-weight handicaps he won four stakes - the Toboggan Handicap, the Clare in 1905 mont Handicap, the Bronx High-Weight Handicap and the Manhattan Handicap. Last year six of his eleven victories were in stakes. He began by winning the Carter Handicap and the Sterling Stakes at Aqueduct, then took the Fall Handicap and Flight Stakes at Sheepshead Bay scored his second success in the Manhattan Handicap at Belmont Park and topped off a glorious with victory in the Bayview Handicap at Aqueduct. He holds the American record seven-eighths of a mile, the distance of the Carter Handicap, at 1:22, made at Belmont Park, October 16 last. These past two seasons he has won his first and last races, so there is a for the folks who fancy a hunch. Here is the record of Roseben's performances:

FINISH NOSES APART AGAIN.

THORNTON RENEWAL IS VIRTUALLY A REPETITION OF THE ORIGINAL.

Los Angeleno Sets a New California Race Record for Four Miles-Contest One Long to Be Remembered.

Oakland, Cal., April 13.-Los Angeleno came right back after his Thornton Stakes victory of March 16, which was run in a heavy rain and over a muddy track, and won today's consolation affair, Thornton Renewal at the same distance and under fair weather conditions and a fast track mashed the California four-mile race record by, two-fifths of a second.

The race was unique in the annals of four-mile races in that the entire field took close order from the start and maintained it for three miles and a half, where Los Angeleno and Mamie Algol drew out engaged in a terrific and spectacular closing struggle in which the former gained the verdict by a nose just as he did in the previous contest, making two of the closest finishes, between the same

The vast throng of spectators who were fortunate enough to be present and see the running of this remarkable race, showed their appreciation by an inparalleled demonstration of applause. The aged Rev el Santa Anita gelding had developed a pronounced soreness during his preparation for today's big event and it was not until after receiving a favorable veterinary report as to his condition that the stewards finally consented to allow him to start.

The sinister rumors afloat affected the market and the odds against Los Angeleno commenced to soar upwards from the moment they were posted in the ring. The unsuspecting public, nothing loath at getting such a lucrative price against their long distance idol, backed him with avidity and in consequence the layers lost heavily on the race. As in their last meeting, Mamie Algol was again considered unlucky to have lost. The owner of the mare, who was stationed in the infield, made the mistake of signaling his jockey to press the pace almost from the start. At the end of three and three-quarter miles of pacemaking. Brown was un-prepared for Knapp's sudden challenge on Los Augeleno and allowed the latter to obtain an advantage that he could never quite overcome, although going the faster of the two at the end.

Today's card was first-class and, aside from the Thornton Renewal, contained three attractive features in the handicap for two-year-olds at five furlongs, the handicap for older horses at seven furlongs, and a sprint in which the fastest horses in training tried conclusions, Starter Holman was responsible for the defeat of Creston, the favorite in the juvenile affair, when he virtually left him at the post. He was guilty of another flasco in . last race, won by Rapid Water, when he Sir Brillar, the second choice, absolutely. Entre Nous, at long odds, confirmed expert opinion formed Entre after her recent victory that she was nearly the fastest thing developed hereabouts this winter

Two favorites, Earl Rogers and Rapid Water, rewarded their backers. Long shots triumphed in the other four race

E. Durnell bid Fireball and Laura F. at today's auction sale in the paddock. Thirtynine books, which beats all previous records, were operation in the big ring this afternoon. Starter Richard Dwyer is expected here next Thursday. C. Van Dusen has reconsidered and is still in the

A fairly attractive program is offered for Monday afternoon, and with such speedy horses as Altair, Jeremiah, Valoski; E. M. Brattain, Lord Nelson, George P. McNear; Dutiful, Corrigan, Byron Rose; St. Francis, Sir Brillar, Burleigh; Sandstone, Fury Convent Bell: Sycamore May Amelia and Prince of Castile included among the entries, excellent racing is in prospect. JACK ATKIN'S GOOD WORK.

Hot Springs, Ark., April 13 .- It is now related that Barney Schreiber's decision to send Jack Atkin to New York was reached after a splendid trial at Oaklawn. Several days ago trainer Brandt arranged with P. T. Chinn to try out the Sain threeyear-old against the six-year-old Pretension. Both horses carried weight for age and ran three-quarters of a mile, Jack Atkin winning by a length. The time was 1:13\frac{1}{2}, the first half mile in 47\frac{2}{3}. Brandt reported this information to Mr. Schreiber at San Francisco and back came the instructions to ship the colt to New York instead of Louisville, as was originally planned. Trainer Brandt did not say whether or not he would give Jack Atkin a race at Aqueduct, but it is likely that he will be sent out in some overnight purse race before he is asked to go the mile and a sixteenth for the Excelsior Handicap on the opening day of the meeting at Jamaica April 26, and it is expected that he will also start in the Dunton Stakes April 29, before being shipped to Louisville to start for the Kentucky Derby, May 6. Trainer Brandt will leave here Tuesday. He will stable his fifteen horses at Belmont Park.

DADE GOES TO NEW YORK.

Henderson, Ky., April 13.-Starter A. B. Dade, who has been resting up at his home here since the closing of the season at the Fair Grounds track in New Orleans, has gone to New York to see the running of the Carter Handicap at Aqueduct, Mon-day. Mr. Dade will take up his duties as starter at Baltimore next Saturday.

CLOSING OF NEW ORLEANS SEASON

Black Mary Wins Ladies' Stakes in a Canter -Royal Breeze Takes Orleans Handicap.

New Orleans, La., April 13.-With the Ladies' Stakes, for two-year-old fillies at a half mile, and the Orleans Handicap, for three-year-olds and upward at three-quarters of a mile, program at City Park this afternoon, the long eason of racing in New Orleans came to an The weather was good, the track fast and a large in attendance. Fred Cook D. Austin here from Louisville to ride Whisk Broom in the Ladies' Stakes and he backed her heavily, believing that she had the race at her but the filly broke slowly and was never near any part of the money. Black Mary spread-

eagled her opponents and won in a canter by six lengths, giving the prize to E. R. Bradley.

The Orleans Handicap proved a better race. It furnished a keen contest and a sharp struggle through the homestretch in which the Burlew & O'Neill colt Royal Breeze, came from behind and, finishing with a great burst of speed, Robin Hood in the last few strides. The early pace in this race was terrific, the first quarter be ing run in 23 seconds and the half in 47k, with and Robin Hood heads apart. The filly was the first to crack and in the stretch run dropped beaten. Robin Hood hung on gamely and re tained the lead until in the last ten yards before

The steeplechase over the short course also proved good contest. Dr. Heard, a green one, overhauled Lights Out after taking the last jump and won Lights Out was supposed to be a "good thing" and had a large following. Dr. Heard was the only one in the race that furnished contention, Weberfields dropping out of the struggle before they the first turn of the field.

Nothing of importance transpired at the meeting of the New Orleans Jockey Club last night. The board of directors was re-elected and the date of holding their annual elections remain unchanged.

Edward Trotter today secured a contract on ockey W. R. Walker for the remainder of the year. J. P. Mayberry, W. F. Schulte and James Robertson will ship from here to Jamaica on Monday. James Fleming left with his string for Baltimore

LECTURING THE GENTLEMEN RIDERS.

"With the United Hunts, in the United States, endeavoring to promote interest in the higher types of steeplechasing and cross-country hunter racing, it is distinctly disappointing to find races of this type, so generously scheduled at Bennings, practical and total failures, says Sports of the Times. "There was a time when the 'gentlemen riders' of the metropolis were acknowledged to hold their own against the average professional. The competition was very strong between them, and from that rather full grown nursery came several of the prominent owners of today, their love for the good, manly sport enduring and flourishing, past young manhood into middle age, when riding became merely a pleasant reminiscence. It was with this state of things in mind that the various associations catered strongly to the 'gentlemen rider' phase, much more generously be it italicized, than surroundings warranted as a business proposition. It was hoped the young men of means would secure horses, would enter, and would individually ride, before the social crowd which always, without exception, loyally attends to witness these races.
"Here, it was not supposed that the mere winning

was the only goal in sight. There was the esprit de corps which should make a well filled field, a good showing as much a matter of collective pride as the winning from such a field should be a matter of individual personal pride. This spirit of good fellowship seems to have fallen by the wayside. If a man cannot win, or least think he can, he will not start. He cares nothing for the object in view. In brief, he is a tin sportsman, of widely differing fibre to the rightly called 'gentleman rider' of a couple decades ago. Apparently the high class of steeplechasing of the future may as well be left to chance. It seems little use to try and train the young idea to shoot correctly, later on. The universal and corroding selfishness of the present day has set its brand on the modern 'gentleman rider,' and it might be well for the various associations to grasp this fact without delay, and replace the society events with races which will at least give an acceptable contest on a handicap basis, and not a series of 1-10, three horse, two stable, fields, made all the more ridiculously conspicuous by being in color.

AS TO TURF SPECULATION.

In one of the New York newspapers last Sunday appeared a half page advertisement offering \$5,000 for any method of speculation on the turf which would be successful. Commenting upon this Sports of the Times says: "If \$5,000 had been offered for a method which would not win, it would have been more sensible. From playing the first choice in every race through the year, to 'hat pinning' a card and playing the horses nearest the holes, there is not a single method which will not win. Just think it over. For long years an average of 40 per cent. (or even more) of first choices has won at averaged odds of nearly 8 to 5, say 8 to 5. a \$100 flat bet on everything, from 1 to 10 to 4 to 1, that is a favorite, and on the one thousand races or so of the metropolitan tracks what is the result? One thousand races: Won \$6,440, lost \$5,000 won \$1,440 net. Send along the \$5,000. Oh, indeed, it is to laugh. It is the man who is weak, not the method. There is not a known method which properly handled on a flat bet will not win a fair business profit on the maximum risk.

"There is not a fortune to be made, but, taking that \$5,000 lost wagers and placing another \$15,000 in hand for the 'backbone' and confidence, there is seven per cent. profit on the total capital, in the period from April 15 to November 15. Go through the year's favorites and see how much of \$5,000 lost was 'in the ring' at one time: Now-suppose instead of a flat bet there was used a weekly percentage advance, requiring no more capital in expert hands, and that \$1,440 profit foots up to nearly \$3,000, or about fifteen per cent. on the \$20,000 backbone.' Yet this is one of the most inadequate forms of racing speculation, and therefore chosen as an example. The advertiser evidently knows nothing, absolutely nothing of the game unless-it is merely the preliminary to an announcement that he has found the philosopher's stone. Which will prove a goldbrick to his clients—whatever it may be to him. Any man with a satisfactory method of operation at the tracks-and there are many of them-will not sell such information for \$5,000, or several times that amount. It is worth more to the individual. Further than that, it is 'his baby,' and all that familiar term implies."
